

# BEIJING JIAOTONG UNIVERSITY

## ADMISSION PROSPECTUS FOR 2022

### 01 >>> INTRODUCTION OF BJTU BRIEF

Established in 1896, Beijing Jiaotong University (BJTU, a.k.a. Northern Jiaotong University) is a national key university, leading in information and management disciplines and featuring traffic and transportation science and technology. It is one of the first institutions authorized to confer master's and doctoral degrees. Over the past century, the university has become an important base to turn out talents, especially outstanding talents in information technology and urban rail transit, for the economic and social development of China.

The University attaches great importance to talents and human resources. BJTU has 3,040 faculty and staff members among which 1,965 are full-time teachers. (Among the full-time teaching staff, There are 1374 people with deputy senior professional title or above, and 1908 with master's degree or above)

Beijing Jiaotong University attaches great importance to the international education so as to bring out the power of a multidisciplinary system with bachelor, master, doctoral programs and exchange programs in the fields of engineering, management, economy, science, arts, law, and philosophy. A variety of

scholarships are available for international students, such as Chinese Government Scholarship, Confucius Institute Scholarship, Beijing Municipal Government Scholarship and BJTU Scholarship for International Students. Up to the year 2020, there are over 1000 international students from over 102 countries studying at BJTU.

BJTU has three campuses (Beijing Campus, Weihai Campus and Tangshan Campus), Beijing Campus is located next to the core area of the capital, renowned for its history and student-friendly environment. Enjoying an advantageous location, Beijing Campus is close to downtown with convenient transportations. It also has abundant rooms equipped with good facilities to accommodate students. As an international campus, Weihai Campus is only 5.5 kilometers away from beach with beautiful environment and fresh air. It provides the students with excellent campus accommodation at lower cost. Tangshan Campus, is located at the center of Tangshan City, which is part of the Beijing-Tianjin-Hebei Coordinated Development Zone.

### 02 >>> PROGRAMS

#### ① Bachelor's program

The duration of study is 4-5 years. There are 47 undergraduate programs for international students, including 2 programs taught in English.

##### Featured Majors

1. Traffic and Transportation
2. Communication Engineering
3. Civil Engineering
4. Vehicle Engineering
5. Electrical Engineering and Automation
6. Logistics Management

#### ② Master's program

The duration of study is 2-3 years. There are 65 master programs for international students, 10 of which are taught in English.

##### Featured Majors

1. Logistics Engineering and Management (Taught in English)
